

2009 KLMS 7TH & 8TH GRADE KNIGHT BANDS FESTIVAL TRIP

CHAPERONE INFORMATION

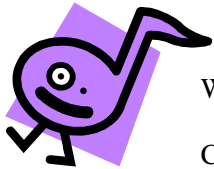

Preparation is nearly complete and we are going through the necessary last minute details that will make the trip a success.

At this point we have approximately 95 students that are eligible to go on the trip. We have two 56 passenger charter buses. *We need to know ASAP how many of you are interested in helping us this year so we can determine how many buses we will need. Please send this form back by **Monday, May 18th** if you would like to chaperone. Thanks in advance!*

We will have two KLMS Band Directors, our student teacher, and a percussion coordinator that will be leading our students. We have a limited number of seats on each bus for chaperones. Parents are always welcome and encouraged to participate on the band trips.

Chaperones will have some small duties:

- checking roll on the buses and at the designated 'check-in times' at the park
- being visible on the buses and at the festival while the students are waiting to perform
- take turns serving duty at the designated "chaperone area" in the park
- The rest of the time, they are free to enjoy Six Flags

We will compile a complete chaperone information packet when you submit your desire to chaperone.

Chaperones need only pay for their ticket into the park and personal expenses (food, souvenirs, etc.). Chaperones can purchase their tickets in advance from us: \$24.50 by **Monday, May 18.** (Make checks payable to KLMS band). You may also use your own season pass or purchase tickets from the Park upon arrival (we get a cheaper price than the gate cost which is about \$45.00).

Please call or email if you have further questions (594-2865).

(Please detach bottom portion of this handout and return with check or cash)
